Education

SAN JOSE STATE UNIVERSITY - San Jose, CA

- *Bachelor of Science in Software Engineering* (Expected May 2029)
- Relevant coursework: Introduction to CS (Java), Calculus I, Discrete Math, Introduction to Engineering

CONVITTO NAZIONALE - Rome, Italy

- *High School Diploma, July 2025 - Final Grade: 100/100*
- Coursework: Advanced Mathematics, Physics, Chemistry, Chinese Language & Literature (HSK4)

Experience

Co-Founder & CEO / Sole Developer - *Theoremz.com* (2022 - present)

- **Co-founded and managed** a math-focused edtech startup providing online lessons, quizzes, and mentoring programs. Oversaw strategic planning, growth, and recruiting.
- Sole developer and technical lead: built the platform from scratch with Node.js, JavaScript, HTML, CSS, SQL, and APIs. Optimized for **SEO and performance** (95+ score on Lighthouse)
- Led the transition to Theoremz 2.0, a complete rebuild using Next.js, TypeScript, and Sanity CMS, improving scalability, maintainability, and user experience.
- Head of marketing and social media: designed and executed growth strategies, generating **150k+ followers** and driving site reach to **1M+ visits**.

Co-Founder & Developer - *Fuji Media* (2023 - 2024)

- Developed and launched websites and e-commerce platforms for local businesses.
- Built a **custom inventory management system** (frontend, backend, DB integration).
- Managed client acquisition, project requirements, and delivery.

Assistant Instructor - *Centro Surf Bracciano* (summer 2023)

- **Supervised** children in sailing while delivering bilingual instruction (IT/EN) for international participants.

Skills & Languages

Technical Skills

- Programming & Development: Python, JavaScript, TypeScript
- Web Development: Next.js, React, Node.js, HTML/CSS, Tailwind
- Databases: SQL (MySQL/PostgreSQL), MongoDB
- Tools: Git/GitHub, Sanity CMS, LaTeX, Figma
- Fundamentals: Algorithms & Data Structures, Object-Oriented Programming, Leetcode 75
- Deployment & Testing: CI/CD basics, Vercel/Netlify

Languages

Italian (native) • English (fluent) • French (fluent) • Chinese (HSK4)
